**Part 1: Identify the English Language Arts Standards.**

You will need to search for the ELAR standards and identify each one of them in this paragraph.

Make sure you cite where you obtained this from.

**Part 2: Introduce Literacy Proficiencies.**

You will need to introduce the proficiencies and explain the purpose of each one and why you believe it is important for each proficiency to be applied in school.

You must complete this section with a minimum of 300 words and divide it into two paragraphs.

**Part 3: Why Do Teachers Struggle?**

After reading the resource, what have you determined to be the main factor in this? You can list a personal experience from a friend or family that has struggled with meeting expectations and what they did to remedy the situation.

**Part 4: Apply What You Learned**

How will you apply what you learned? What is your intended outcome?
